FOREWORD

In this volume we have endeavored to record your life in school as our cameras have snapped it. We have tried to give you the school and its working in a straightforward fashion, unfolded in the customary atmosphere. To preserve for future years the beauty, the life, and the laughter of our Alma Mater—this is the task of the STONE FORT of 1937.

DEDICATION

As an appreciation of his eight years with us as head football coach and teacher of government, his personal example of uprightness and manliness, his untiring service and loyalty to this institution, and his ability to maintain the students' viewpoint, we affectionately dedicate this volume to

THE SCHOOL

THE STONE FORT comes to you again with a faithful picture of the activities of the College during the current year. It will be a source of interest to you throughout the coming days. More and more, we are trying to determine worthwhile objectives and to stimulate genuine effort. We are just beginning to see that the activities of students, both in formal study and in extra-curricular programs, develop personality. It is for this reason that participation in the entire college program is so helpful to students. During the year I have been delighted with the attitude of both faculty and students, and have rejoiced in the splendid morale existing on the campus, all of which bids us look forward from an interesting and constructive past to a much greater future. The College Among the Pines has a mission. It will realize this mission through united effort. Its highest ambition is to send cultivated men and women into the various communities of East Texas, and to do its part in building a finer civilization for tomorrow.

THE DEANS

Dr. T. E. Ferguson, Dean of the Faculty, has served the college very efficiently for a number of years. Through his expert administrative service he has encouraged many to reach high scholarship. His value to the college cannot be overestimated.

Miss Sue Hill, as Dean of Women, is well qualified, and is performing the duties of her position very efficiently. Her winning personality has won her the respect and admiration of every one connected with the institution.

Mr. C. E. Ferguson, Dean of Men, holds the respect and admiration of the entire school through his kind and genial disposition. He has a broad understanding of the problems of youth and is always ready to assist students in any way possible.

Desiring to uphold the spirit of the fighting Lumberjacks, a group of enthusiastic male athletic supporters organized the Sawyer organization in 1927. Since that time the club has increased in number and in spirit each year. At present there are thirty-one members in the club and all pull for each other and pull for the Lumberjacks in every kind of an athletic contest.

Aside from backing the 'Jacks the Sawyers lead the campus in social life. They sponsor all-college dances, private functions, and their annual Apron-Averall dance is one of the highlights of the year.

One or more trips with the Lumberjacks is a yearly feature. The past year the Axehandlers chartered a bus and made the regular junket to Huntsville with the Lumbermen. Much fun and frivolity prevailed throughout the trip with all the boys returning in good form.

To climax the year the organization promoted a special Sawyer homecoming in commemoration of ten years of activity. Many old members came back to the campus and renewed acquaintances with friends and present members.

College Band

The Purple and White college band has traditionally become one of the most ardent supporters of the Lumberjacks, playing for all college games both here and out of the city, and through its enthusiastic support of the athletes setting a splendid example of school spirit for the entire student body.

The band, directed and organized by Professor John T. Cox, has grown from fifteen members in 1926, the year of its organization, to more than fifty members now.

The personnel of the musical group includes many members who play more than one instrument, some of them as many as a dozen different ones. Approximately one-half of the band plays in the college symphony orchestra.

CROSS-SECTION VIEW OF THE LOCAL DANCE BAND

Barbee—Let's cheer, his mug ain't on here—
Sits placidly blowing his bass;
His cheeks puff out on each side of his snout,
Thank goodness the horn hides his face!

"Whiskey" Jack his notes does crack,
His horn must be made out of tin;
He is a sot, but he knows it not,
He's never seen a bottle of gin.

"Pimp" Arthur Seale, the little heal,
Is hot on his alto sax;
When he starts to play, they don't go 'way,
On Johnny they don't turn their backs.

"Slim-One" Thomas, he is mama's
Boy with the flaxen hair;
He plays on a trumpet. I wish he would dump it
In the battered ash-can out there.

"Sammy" Nowlin started howlin'
For some oil for his slip-horn's slide.
It's a horrible noise! Oh, joy of joys,
If he in his cradle had died.

"Beetle" Cox does all the knocks
On his skull-bones and little cow-bell.
So loud does he cuss, in the A—'s weekly fuss,
That he settles their arguments quite well.

"Wind-Bag" Garner sat in a corner,
Puffing his cig on the sly;
Hid from his dad, started smoking real bad,
And bragged: "What a hot man am I!"

"Nickle-Box" Rodgers is one of those codgers
Who has fallen for Duchess Fay.
If he'd wake from that doze, drop innocent pose,
We'd like him much better that way.

"Dog-Face Rollan, like Lucille Holland,
Has a baby face wreathed in smiles.
When he plays his horn, we regret he was born,
And quickly walk back up the aisles.

They're a wonderful band, these sons of the land;
Their music with rhythm does fill me.
But if I could play like a Royal A—,
I'd appreciate if someone would kill me.

The Wesley Student Association is affiliated with the First Methodist Church of Nacogdoches. The organization was initiated on the assumption that the church should play an integral part in the total education of students. Its purpose is to keep students, who prefer the Methodist Church, in touch with the activities of the church while they are in college. The Wesley Student Association is denominational in the sense that it must of necessity be related to a definite denomination; it is interdenominational in the sense that it looks forward to the final union of all denominations.

Pi Kappa Delta

Since 1934 there has been in existence at Stephen F. Austin the Texas Mu Chapter of Pi Kappa Delta, a national honorary forensic fraternity. During the 1936-27 debating season Kenneth Kennedy was the only active member of the chapter other than Dr. T. E. Ferguson and Professor L. C. Harding, the debate coaches; however at the close of the season Harlon Martin, Gorman McMullen, Harold Wisely Jr., Ben Grissom, and Griff Terry Ross were initiated into the chapter.

During the season of '36-'37 the debating squad participated in six tournaments: those at Beaumont; Waco; Waxahachie; Durant, Okla.; Natchitoches, La.; and Clarksville, Ark.; making an average of about 50 per cent wins. At the provincial meet of the Phi Kappa Delta for Texas, Ark., and Louisiana, Kenneth Kennedy was elected as one of the three senators for the Congress at the national convention of the society in Topeka, Kansas, in the spring of 1938.

SHELTON

WHITE

BURK

DOSSEY

When the doors of Stephen F. Austin opened in 1923, the administration saw the need for a capable and efficient athletic director and coach. From the hills of San Marcos came R. H. Shelton, who had made an enviable record at Southwest Texas, to answer the call. Upon his arrival he took complete charge of all sports; however, his many duties compelled him to relinquish his coaching of football.

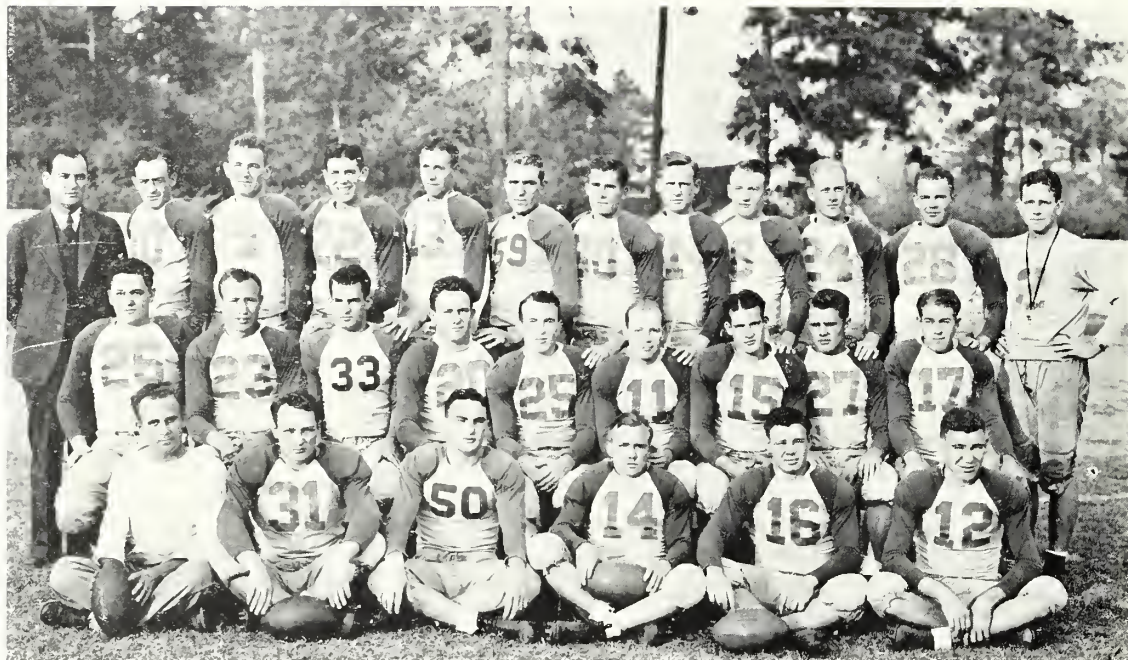

Since then his basketball teams have made a record that few schools have equaled. For six consecutive years his cage teams have either won or tied for the Lone Star Conference championship and gained for the school much invaluable publicity. Quiet and modest and a natural builder of men, Mr. Shelton always attributes his success solely to "the boys". Coach Bob has gained the respect and friendship of every student in Stephen F. Austin College.

Eugene H. White, for eight years head grid mentor, completed his career with the ending of the 1936 season. Even though, as has been the case since he started coaching at SFA, Coach White had the unpleasant and difficult task of building a football team out of mediocre, untried material, the team of '36 was one of the best ever to wear the Purple and White. Had the team escaped some of the early season injuries, it would undoubtedly finished high in the conference. The entire college regrets to lose Coach White, who, in 1938, returns to his alma mater, Washington and Lee University. Luck to you, Gene, we regret your going, but are glad of your promotion!

The need for an assistant football coach at SFA has been inevitable. Fresh from the gridiron of Rice Institute came Percy Burk to help Coach White with football and to take charge of track. Percy has given much of his time to intramural sports and deserves much credit for giving the boys that can not participate in major athletics a chance to show their wares. A tireless worker, a keen student of athletics, and a gentleman, Coach Burk has already made a name for himself at Stephen F. Austin.

W. W. Dossey is coach of baseball and freshman athletics—football and basketball. He has the responsibility of building and directing freshmen athletes for varsity competition. To Coach Dossey much of the credit is due for star Lumberjack athletes. He is respected and admired by all who know him.

Resume of 1936 Season

Terrific tackling, hard charging, and immaculate blocking characterized the starting lineup of the 1936 Purple and White gridiron machine.

The Lumberjacks exhibited flashes of form throughout the season and when Coach White was able to send his charges into the game full strength a battle was in store. Many of the games lost occurred when varsity stars were on the shelf with injuries. However, the team finished the season with four wins, one tie, and three losses. For the first time in the history of the school a Lumberjack football team finished above the five-hundred mark.

'JACKS TAKE LON MORRIS

In their initial encounter, the Axemen breezed to a 12 to 0 win over Coach Puny Wilson's Lon Morris Bearcats. Fans will remember how an inspired Purple and White eleven pushed the visitors all over Birdwell Field on September 26. Andy Little's 38-yard dash for a score in the last quarter cinched the game for the Lumbermen after a touchdown had been made in the second period.

LIONS ROAR OVER AXEMEN

On the following Friday night, October 2, the Lumberjacks journeyed to Commerce to open the Lone Star Conference with the powerful East Texas Lions. The Lumbermen were unable to cope with the endless stream of substitutes sent in by the Junglemen nor were they able to stop the power thrust of the Lions, and dropped an 18 to 0 decision. Long passes accounted for two of the Lion markers.

LUMBERMEN SUBDUE BOBCATS

A week later on the home gridiron, the Woodsmen snapped out of the doldrums and plastered a 14 to 7 licking on the San Marcos Bobcats in their second conference battle. Two markers via the ozone route and two well placed kicks were too much for the visitors who were only able to score in the last two minutes. It was the second time in the history of the school that the 'Jacks had defeated a San Marcos football team and their first conference win of the season.

EAGLES BLAST LUMBERJACKS

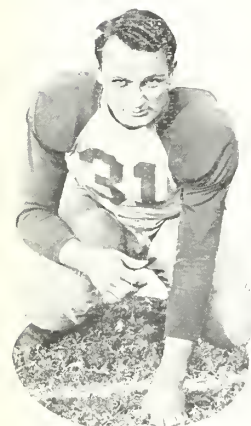

On October 16 Coach White led his charges into Denton to contest the classy Denton Eagles. That brisk October night saw Johnny Stovall, Denton's hot shot quarterback, in his best form as he led the Birds to a 27 to 7 victory over a crippled Lumberjack eleven. The Lumbermen were unable to stop the overhead attack of the Eagles and could not get their own offense to click which proved to be their shortcoming.

REMEMBER THE BEAUMONT TRIP?

After a week's rest, during which time the Lumberjack mentors were priming their charges for the South Texas invasion, the Woodsmen fought valiantly before four hundred Purple fans for a 13 to 7 win over the Lamar College Cardinals. Offensive drives in the second and third quarters that netted two touchdowns and one extra point were enough to pluck the Cards. Remember the special train and you'll remember the game.

NORMAL DOWNS LUMBERMEN

On November 6, the Louisiana Normal Demons came to Nacogdoches and handed the Lumberjacks a 20 to 7 setback. Unable to hold a 7 to 0 lead at the half, the 'Jacks folded up under intense heat and allowed the Pelican Staters to chalk up three touchdowns.

NORTH TEXAS AGGIES TIE WOODSMEN

A revamped Lumberjack grid team which saw halfbacks go into the line at guards to replace injured forwards, fought valiantly for a 7 to 7 tie in their first game with the North Texas Aggies of Arlington. A touchdown and extra point in the first stanza was chalked up by the Lumbermen in quick order but the 'Jack forward wall weakened in the final stanza and allowed the Farmers to score and tie the game.

LAST MINUTE RALLY BEATS SAM HOUSTON 7 TO 6

Before a homecoming day crowd of 2500 Sam Houston students and exes, the Lumberjacks fought their hearts out for a game dedicated to their Coach, Gene White, and by virtue of a last minute rally walked away from the Huntsville gridiron with a sweet 7 to 6 victory over their ancient rivals in the season closer. The fast charging Lumberjacks tore into the Bearkats for three and a half quarters and kept them away from the danger zone until a luck pass went for a touchdown.

With only a short time to go it seemed impossible for the Lumberjacks to score. With tears streaming from their eyes the Purple warriors took the kickoff and marched down the field for a touchdown. Earl Shanks lunged over the goal line three seconds before the gunshot for a touchdown and Turner Mills booted the oval through the uprights to insure the win. It marked the third successive year that the Lumbermen have whipped their ancient foes and the second time on Pritchett Field. It was one of the sweetest victories ever won by a Lumberjack team and was fittingly dedicated to Coach Gene White.

Basketball 1936-37

Beyond a doubt the Lumberjacks of 1937 deserve to be ranked as one of the greatest teams in the history of the school. With a starting five composed of three seniors and two juniors, the Lumbermen blazed their way to their sixth Lone Star Championship, winning the title undisputedly.

Every team in the conference staked their season's success on a win over the classy Lumberjacks. Six of the games were won and two were dropped, one being a 33-32 decision to the North Texas Eagles at Denton in an overtime game. However, the champion 'Jacks finally cracked under the gruelling strain after they had tucked the crown away, and dropped the last game of the season to Sam Houston, 43 to 34. The Lumbermen had just returned from an extensive trip to Southwest Texas and the lineup was riddled with illness on the eve of the game, which weakened the lineup.

Out of the twenty-one games played on their regular schedule, the fighting Lumberjacks emerged victorious in eighteen of them. The only teams to conquer the 'Jacks were the North Texas Eagles, Sam Houston Bearkats, and the Louisiana Normal Demons. However the Lumbermen had the consolation of not losing a game in Aikman gymnasium during the entire season.

POST SEASON GAMES

Shortly before the regular season closed, Coach Shelton and his Lumberjacks received an invitation to participate in the annual cage tourney of the National Amateur Athletic Union at Denver, Colorado.

After accepting the invitation, Coach Shelton and a number of ardent 'Jack supporters arranged a benefit game with the stars from the 1933 championship 'Jack team.

After a colorful exhibition on the part of both teams, the present champs outlasted the exes and walked away with a 39 to 34 victory. Funds from the game were used to send the Lumbermen to Denver.

Leaving Nacogdoches Wednesday, March 10, the Lumperjacks, nine strong, paused that night at Snyder, Texas, long enough to hand the Lueder Casers a 51 to 27 trimming. The next night the Lumbermen found sledding tough as they matched shots with the Slaton Chamber of Commerce team, who had previously won the Amateur Athletic championship at Dallas, and dropped their fourth game of the season 33 to 22.

From here the Purple and White departed for the Colorado hills and the Denver Tourney.

In the opening day of the meet Coach Shelton pitted his charges against the Southern Oregon Teachers College quint. Although the giant Oregon center found the hoop for 25 markers, the Lumbermen, playing superbly, emerged victorious 52 to 47. The following night a weary and travel worn band of Woodsmen were called on to play the Central Missouri Teachers, one of the classiest cage outfits in the Midwest. Unable to reach their usual form, the Lumberjacks were eliminated by the Missourians, 50 to 34.

Baseball 1937

Enthusiasm in the National pastime game at the Piney Woods school in the Spring of 1937 prompted the Athletic Department to sponsor baseball. Although no championship was awarded in the Lone Star Conference, the Lumbermen were able to arrange a very attractive schedule with other colleges in the immediate vicinity.

The first game of the season was played with the Jackson College Blueboys from Jacksonville, Illinois. A story book finish which was climaxed by Gerald Millard's three-ply wallop with the sacks groggy enabled the 'Jacks to win 5 to 4.

Next on the Purple slate came Carleton College of Northfield, Minnesota. In the first game Bill Hendrix struck out 20 Carls, and the Lumbermen won 5 to 3. The next day the Swedes came back with a vengeance and when the smoke had cleared were on the long end of a 13 to 7 score. Other games on the schedule were with Centenary, East Texas Teachers, Rusk State Hospital employees, and Lon Morris.

The '37 team was sprinkled with potential stars. Leading the list was lanky Bill Hendrix of Honey Island, who signed a contract with the Cleveland Indians midway the season. In five games Hendrix whiffed over 60 batters and railbirds are watching his future with a keen eye. Hendrix was the first Lumberjack ever to sign a big league contract.

Other stellar performers in the lineup were Gerald Millard, hard hitting first sacker; Alton Clayton, peppery outer gardener; Moss Crenshaw, infielder; Turner Mills, infielder; Ardean Cooper, infielder; and Andrew Little, outfielder.

Track 1937

Although the Lumberjack track squad of 1937 was not so well balanced, several men were able to gather in points in most of the meets.

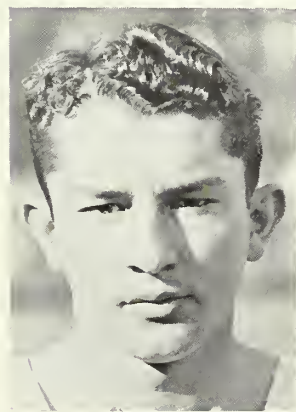

Among the most consistent of these point getters were Langford Warren, speedster from Beckville, who was good for first and second places in nearly every meet in the century and the furlong. Jack Porter, Ernest Ford, Ralph and Walter Todd, and Turner Mills.

Meets attended by Coach Percy Burk and his tracksters included the Fat Stock Show Meet, The Texas Relays, The Southwest Louisiana Institute Relays, and meets at Huntsville, Commerce, and Durant, Oklahoma.

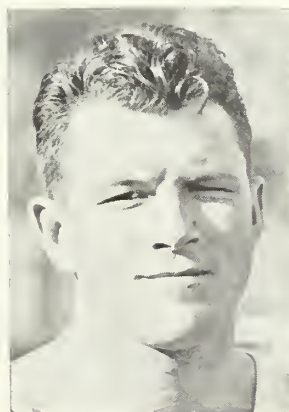

With practically no chance at first and second place at the conference meet, the 'Jacks were slated to fight it out with Southwest Texas for third place.

TENNIS

A somewhat inexperienced but promising squad of nine men answered the opening call for tennis practice early in March. Bad weather, the poor condition of the courts, and the fact that the squad was without a coach at the beginning of the season cast gloom over the tennists.

However, this gloom was erased when Howard C. Key, former Texas University Racquet wielder, came to the college to teach English and coach tennis. Warmer weather came and eliminations were held in which the players were ranked as follows: Clemen Dillen, John W. McNeil, L. D. Rulfs, Ralph Crawford, Ford Hale, and Branch Axley.

The squad played a number of matches both at home and away before the conference meet at Commerce the 15th of May.
